

North Dakota Recreation & Park Association

## State Conference

Sept. 10-12, 2019

Valley City, ND

The NDRPA State Conference is the premier annual event that brings together parks and recreation professionals from across North Dakota for education, networking and fun.

It's also a great opportunity to meet with vendors who offer a wide variety of products and services to parks and rec agencies.

### Scholarship Details

NDRPA is pleased to announce **five full registration scholarships** are available to park board commissioners or staff from park districts that do not have full-time, year-round staff.

The scholarship is limited to two people per park board and distributed on a first-come, first-served basis. If your park board submits more than two scholarship requests, additional requests will be placed on a waiting list to be awarded after Aug. 23.
